By participating in Northside's Skip-A-Payment program, you request that Northside FCU defer your loan payments as indicated. You agree and understand that 1) Loans must have originated at least six months prior to the date you choose to skip your payment; 2) Finance charges will continue to accrue at the rate provided in your original loan agreement during and after this time; 3) Deferring your loan payment will result in you having to pay higher total FINANCE CHARGES than if you made your payments as originally scheduled; 4) The payment deferral will extend the terms of your loan(s), and you will have to make extra payments after your loan would otherwise be paid off; 5) You will be required to resume your payments the following month; 6) If you elected GAP, Warranty Coverage or Life/Disability Insurance, the coverage will not be extended beyond the original maturity date; 7) All deferrals are subject to NFCU approval; 8) If your payment is made through Payroll Deduction, your payment will be deposited into your NFCU membership savings account.
